Also offers a complete line of our own Techni-Tool brand products in many categories

Let us Custom Build a Tool Kit For Your Exact Needs

Nothing improves your image and efficiency like giving your technicians a kit with all the tools they need in a case featuring your company logo.

We make it easy. Just tell us the tools and case you want and we'll design a kit to meet your budget. We assemble all our kits by hand. You can outfit your entire organization with the same top-quality custom designed tool kits, and order replacement tools or additional kits anytime with just one call.

WHATEVER YOUR APPLICATION WE CAN MAKE A KIT JUST FOR YOU!
