

Techni-Tool To Exhibit at the ACUTA Annual Conference

March 2010, Worcester, PA: Techni-Tool is pleased to be exhibiting at the ACUTA Annual Conference April 18-21, in San Antonio, Texas.

Techni-Tool will be presenting products for fiber optics, copper, and wi-fi along with hand tools and a range of essential test equipment. Some of the latest products available at the booth for hands-on demonstration will include ODM's Fiber Scope, ideal for fiber testing; Fluke Networks' new AirCheck, for troubleshooting complex wireless local area networks; EXFO fiber inspection probe that detects dirty or damaged connectors; Brady printers that help identify wire and cable; and tool kits that fill specific installation and troubleshooting needs.

To introduce ACUTA members to Techni-Tool, we will be demonstrating the new MicroCare Sticklers™ Fiber Optic Cleaning Kit. The kit contains everything you need for cleaning bare fiber before fusion splicing or field termination, as well as cleaning connector endfaces to ensure a clean and clear connection. Stop by **Booth 303** to see demonstrations of the Sticklers™ kit and all the other products available from Techni-Tool.

About Techni-Tool

Techni-Tool is one of the country's premier solutions providers for the electronics manufacturing, assembly and repair industries as well as the government, military, telecommunications, cleanrooms, medical device and semiconductor manufacturing industries.
