

For Immediate Release

***Techni-Tool Exhibits at NAB Show in Las Vegas***

**Worcester, PA, March 2009** - Techni-Tool is pleased to announce their plans to exhibit at the **NAB Show**, April 18-23, 2009, in Las Vegas, Nevada.

Techni-Tool will be exhibiting quality tools for the communications industry, including hand and power tools, test equipment, cleaners/degreasers, tool cases and more. In addition to Techni-Tool professionals, there will also be representatives present from ITW Chemtronics, Brady, Fluke Corp., Paladin Tools, and Cooper. These experts will be available to demonstrate their fiber optic cleaning products, cable labels, test equipment, hand tools, and more.

We are offering a number of discounted broadcast installation and maintenance products to show attendees. A list and ordering information may be obtained at our booth #**C10115**. In addition, we are giving away a Brady ID PAL labeling tool every day during the show. Drop off your business card to be eligible.

For over 80 years, the NAB Show™ has served as the premier event for content professionals. Produced annually by the National Association of Broadcasters, the NAB Show provides exhibits and educational seminars for audio and video content, communications, educations, and entertainment, as well as cutting-edge technologies.

**About Techni-Tool**

Techni-Tool is one of the country's premier solution providers for the electronics manufacturing, assembly and repair industries as well as the government, military, telecommunications, cleanrooms, medical device and semiconductor manufacturing industries. We serve customers in 100 countries and North America and employ more than 200 people nationwide, including a national and international sales team with local representation in all major markets. Techni-Tool is headquartered in Worcester, Pa., in a computerized, state-of-the-art facility with integrated order and warehouse management systems.
