

**For Immediate Release**

***Techni-Tool To Exhibit at SCTE Cable-Tec Expo***

**May 2008, Worcester PA** - Techni-Tool, Inc. will be exhibiting at booth #1901 at the 25th annual SCTE Cable-Tec Expo in Philadelphia, June 24-27, 2008.

Our exhibit will include the latest in test equipment and hand tools for the communications industry. Experts from Techni-Tool along with Agilent Technologies, Ideal Industries, Paladin Tools, JDSU, Klein Tools, Pelican Products, and Milwaukee Electric Tool will be ready to answer your questions. We will also be raffling off products from Agilent, Paladin, Milwaukee, Pelican and Klein.

Techni-Tool is a family-owned company specializing in test equipment, tool kits, hand tools and more for engineers and technicians for over 45 years. We take pride in offering the most current technologies and the latest products available. Our brand name products help you build, test and maintain cable television, VoIP, telecommunications and other digital networks. With access to over 650 vendors, we offer choices to suit any requirement with a variety of communications hand tools as well as tool kits for all types of installation and maintenance tasks.
