Techni-Tool Wins Northrop Grumman 2011 Supplier Award

Worcester, PA, December 2011 - Techni-Tool, Inc. has been awarded the ***Northrop Grumman 2011 World Class Supplier Award***, one of only 26 suppliers recognized for their outstanding performance and support of Northrop Grumman's Socio-Economic Business Programs (SEBP).

Acknowledged as consistently demonstrating responsiveness and flexibility to help meet Northrop Grumman's needs, Techni-Tool was also recognized for a high quality of work, on-time delivery, outstanding cost management, and reliable performance, consistently offering practical solutions to real world problems. Techni-Tool has delivered more than 44,000 items to Northrop Grumman through the second quarter of 2011 alone, with only 2 items returned. They have also been instrumental in supporting Northrop Grumman's tool crib with supplier managed inventory, as well as providing other means to streamline the purchasing process.

Stuart Weiss, Executive Vice President of Techni-Tool, along with Hector Hernandez, Techni-Tool's Eastern Regional Manager, were present to receive the award. "We take great pride in not only meeting, but exceeding the expectations of our customers," said Weiss, "so it's always an honor to be recognized for those efforts."
