WITH THE STEINEL SILVER ANNIVERSARY EDITION HEAT GUN KIT!

Back by Popular Demand!

To celebrate their 25th anniversary Steinel has cut prices 50% on a state-of-the-art Steinel HL 2010 E IntelliTemp™ heat gun and added all the essential accessories you need neatly stored in a rugged aluminum carrying case. The HL 2010 gun features microprocessor control and Steinel's unique LCD display that lets you move temperature up or down in 10°F increments to lock in the exact heat you need for the task at hand. The exclusive DuraTherm™ heating element is entirely enclosed in ceramic to extend coil life and deliver even heat over years of heavy use. And the kit comes complete with all the nozzles and accessories you need for most manufacturing or rework applications.

It's a great kit at a price you simply can't beat!

Included in the Kit:

- HL 2010 E IntelliTemp™ Heat Gun
- 75mm Spreader Nozzle
- 39mm & 14mm Reflector Nozzles
- 9mm Reduction Nozzle
- Plastic Welding Tip
- Assorted Welding Rods
- Assorted Shrink Tubes
- Pocket Guide
- Heavy-duty Aluminum Case
